At Gate Hill, one of our core values is to always improve. Whether it's a camper working hard at instructional swim, our counselors learning new ways to make the day fun, or the year round team planning 10 months for 2! One way that we always improve is with our commitment to the facility. I'm excited to share a few of this year's developments with you!

Our newest addition is a multipurpose athletic field located next to the Dining Hall. Get pumped for the new home of Lacrosse, Gate Hill Classics like Stealing Sticks and Flag Football— THAT'S A TOUCHDOWN!

At the same time campers will notice a new look as they enter camp. More trees and shrubs, and expanded parking for better access and flow.

Elsewhere on camp we are making better use of our beautiful forest setting with the construction of a winding nature trail to explore. Navigating past several species of tree, natural streams and rock features, there's lots to discover. The new trail allows us to continue to expand our growing nature program.

We have lots more exciting 2014 developments in the works. Stay tuned for updates on Camp on Wheels, Early Childhood and more in the coming months.

## LIGHTENING THE LOAD BATHING SUIT LAUNDRY

As we work to improve the camper experience at Gate Hill, we also look for opportunities to support our families at home. Programs like our towel service help to make the summer experience smooth for parents. For 2014 we are very excited to announce that Gate Hill will provide a **bathing suit laundry service** for all on grounds campers as part of our full service amenities. Three suits will be laundered throughout the week and returned to families for the weekend. Stay tuned for more details in the Spring!

## GEARING UP GH GEAR DAY 2014

This **April 18th** will be our third annual Gate Hill Gear Day. Campers, parents, and staff from all around the world will be sporting Gate Hill Gear to show their spirit. Send your pics to [buddy@gatehilldaycamp.com](mailto:buddy@gatehilldaycamp.com). We'll be posting them online, so keep an eye on social media throughout the day.

If the summer swag just wasn't enough, remember you can [access our gear stores](#) through the website on the "current families" tab. Be sure to check out the cool logo options in the apparel store, as well as the UV shirts in the GrUVy wear store.

## A LOOK BACK TOGETHER REUNION & NYC CARNIVAL

To bring back those warm summer feelings, many of our camp families joined us for the annual Gate Hill Reunion at Powerhouse Studios in November! We celebrated birthdays, played Mostest Monday, enjoyed some wacky fun and campers received their traditional group photo and memories DVD!

Gate Hill loves to put on a party, and this winter for the first time we left camp to bring the fun to the heart of NYC, celebrating a winter carnival with our city families. We enjoyed Gaga, cotton candy, and carnival fun with friends new and old. If you're looking for more year round Gate Hill action visit [www.gagamadness.com](http://www.gagamadness.com) for our spring classes.
